### SUMMARY:

Consistent with the Indiana statutes governing access to public records, enhanced electronic access, and the Indiana Intelenet Commission; the state of Indiana Broad Agency Announcement 95-39; the Network Manager Proposal of Indiana Interactive, Inc., and the contract dated August 17, 1995, with any amendments thereto, between the Indiana Intelenet Commission and Indiana Interactive, Inc.; Indiana Interactive, Inc. being authorized as Network Manager for *accessIndiana* requests and recommends that the Enhanced Data Access Review Committee of the Indiana Intelenet Commission (EDARC), by and through its authorized officer or agent, approve and authorize the Network Manager to create, implement and offer to the public the *accessIndiana* services proposed in this document. In addition, the Network Manager also requests and recommends that EDARC approve the interactive on-line enhanced access fees per service offered as detailed in this document. Such funds collected for *accessIndiana* services by the Network Manager will be used in accordance with the contract mentioned above. It is understood by all parties that the rates requested in this document per service are the maximum allowed and will be published in the *accessIndiana* fee schedule and Service Agreements. The Network Manager reserves the right at its own expense to offer any and all *accessIndiana* services at any rate less than the maximum amount approved in this and any future rate requests.

### Service Request 78:

In accordance with the authorities cited above, the Network Manager requests and recommends that Online Hunting, Trapping, and Fishing Licenses for the Department of Natural Resources' Division of Fish & Wildlife be made available by the Network at an additional charge. The Network Manager recommends and requests that this enhanced service be made available for a fee of \$1.00 per license and an *Instant Access* fee according to the *Instant Access* fee chart approved by EDARC. Revenue from this service will be used for the general operation and development of the Network.
